

THE STATEMENT

We, **OMAN sp. z o.o.**,
with the headquarters in: 47-400 Racibórz, ul. Zamkowa 11,
hereby declare that **folding loft ladders** produced by **OMAN sp. z o.o**
comply with the requirements of:

1. The PN-EN 14975+A1:2010 standard – "Loft ladders. Requirements, marking and testing",
2. Safety rules – outlined in the Act of December 12th, 2003 – that refer to the general safety of products (Law Gazette no. 229, pos. 2275 with later amendments).

We also would like to inform that – in the light of the Act of April 16th, 2004 (Law Gazette no. 92, pos. 881 with later amendments)– loft ladders are not defined as construction products. Because of that labelling them either with "B" or "CE" marks is not obligatory.

Racibórz, January 1st, 2012.
